## Fundraiser “We Will Thrive 2017”

**The church will continue to survive and will THRIVE** if we can embrace new ideas. As the church is aging, we also have tremendous upkeep. This year alone, we have re-shingled the roof of the church and Parish Hall, painted, replaced the back door lock and installed a new toilet. We also need to replace the windows in the Parish hall, replace flooring and build a wheelchair accessible ramp to provide access to the Parish hall.

We are entertaining a new and exciting fundraiser! It is a year long campaign / competition (Jan 1 – Dec 31, 2017). The concept is to have as many teams register as possible. We are encouraging team leaders to ask family members and friends to join their team. Teams can be any size. The goal is to encourage participation!

Now for the rules of the campaign..... **“There are no rules”!** We are challenging teams to raise as much money as possible by using their particular ideas, interests and talents. You have one full year. The minimum challenge / goal is \$100.00 per team but the maximum, well, the sky's the limit! Remember, prizes will be awarded determined by the amount of funds raised. This could be a very successful and fun fundraiser with your help and it is *not too late to join!*

The chair person is Bev Lesnick, 204-785-7917 or alesnick@outlook.com

## Easter Greetings and Blessings from the Rector

*I know that you are looking for Jesus, who was crucified. He is not here.....'He has risen from the dead and is going ahead of you (Matthew 28:5-7)*

We are blessed to celebrate Easter once again, a season that speaks to the resurrection of Jesus from the dead. This year's Easter finds us with local and global

social, economic and political challenges. From a triple murder in East Selkirk, wars in Syria and other parts of the world, to global hunger and homelessness on our streets. Such are places where Jesus is going ahead of us, and calling us to go with Him so that all may have hope and be filled with God's love. We are blessed to have

good, kind, supportive and faithful people such as you, who is willing to journey with us to bring good news of the resurrected Christ to the world. Christ is our hope, peace, joy, love who renews all things. Thank you for being a blessing to the world, and may God continue to bless you.

*Happy Easter!*
